Dear Stan:

Betsy and I are looking forward to having you and Pat here in St. Louis November 25, and we are still expecting you to say with us. Our house is right next to the Principia High School campus.

STAT:
Principia Campus - 13201 Clayton Rd., St. Louis, MO 63131 314 434-2100

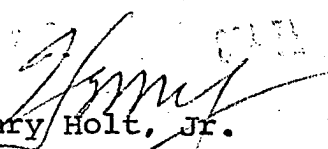

I understand from Dave Andrews that you will be speaking in downtown St. Louis at noon. Then there will be a special assembly at 2:30 here at school where you will be speaking to the students. If you have no other plans after this assembly we could go over to our house or visit here on campus until time to get ready to leave for The Round Table dinner.

I assume that Zane Barnes, President of The Round Table, has been in touch with you about any details for your visit there. I understand he will be introducing you and will be in charge of the program.

Will you and Pat be coming in Monday night or Tuesday morning? It would be fine for you to spend both Monday and Tuesday nights if that works best for your schedule. Also, if Pat is not included in your luncheon plans, Betsy and I would love to have her out here, and we would all be waiting when you arrived at 2:30 for your talk here. Betsy and Pat will be having dinner together while we are at The Round Table.

Let me know if there are other arrangements that would be helpful.

Very sincerely,

Henry Holt, Jr.
Chairman of the Board
